**PLENARY INDULGENCE**—The faithful may obtain a plenary indulgence—a remission before God of the temporal punishment for a previously forgiven sin—by visiting a minor basilica. To obtain a plenary indulgence during a pilgrimage to a basilica, one must participate in any sacred rite or recite the Lord’s Prayer or the profession of faith while there, then go to Confession and Communion, and pray for the intention of the pope. ~ taken from *The Register*, Salina Diocese newspaper

## Christopher Columbus Revisited

"In fourteen-ninety-two Columbus sailed the ocean blue." Seniors will remember when that little ditty was a fun part of history class. Things have changed. Monday, Columbus Day, will be greeted with mixed messages.

A mob recently tore down the statue of Christopher Columbus in the Ohio city named for him. A little background may be helpful to sort out conflicting ideas.

The Spanish Crown and Columbus hoped to discover a new way to a new land for new riches. But another objective was to bring Christianity to that new land. Consider the names of the ships: the Nina, the Pinta and the Sancta Maria. The full name of the flagship was La Santa María de la Inmaculada Concepción, the Blessed Mary of the Immaculate Conception. Columbus named the first island on which he set foot, San Salvador, the Holy Savior. Another island he named Sancta Maria de la Concepcion, the archipelago near Cuba, "Our Lady's Sea" and the island there, Sancta Maria Rotunda.

However, his efforts in dealing with the native people were often misguided and his crew took advantage of innocent people for which some modern historians tend to

judge them rather harshly. Yet the history of our own nation, as most nations, betrays similar faults. For example, the land that Columbus discovered was soon afflicted with a religious intolerance fueled by organizations such as the Klu Klux Klan, the Nativist movement, and the Know-Nothing Party.

In 1881 a parish priest in New Haven, Connecticut, Fr. Michael McGivney, organized a group of men to provide financial and moral support for immigrants, especially widows and orphans, subjected to this religious discrimination. He named his fraternal benevolent society *The Knights of Columbus*, after Christopher Columbus to recall that this land was discovered by a man of their faith, despite his failings.

As attitudes became more tolerant Fr. McGivney's group of Catholic men adapted to the evolving social needs of immigrants and their descendants. Today the Knights of Columbus, whose charitable works are well known, are a thriving fraternal organization nearly two million strong. Along with other such benevolent groups sponsored by various faiths they enrich the social fabric of our nation.

Each new generation has the right and the responsibility to review and evaluate the history they inherit, which is seldom perfect. We must balance the failings of famous historical persons with their contributions to our welfare. In making such a judgement an old adage cautions us not to "throw out the baby with the dirty bath water." And the gospel challenges us, "Let the one who is without sin cast the first stone."

... and mirth

Worry is the darkroom in which negatives are developed.

## A Prayer for Those Who Have Died

You can shed tears because they are gone, or you can smile because they lived.

You can close your eyes and pray they will come back, or you can open your eyes and see all that they left for you.

Your heart can be empty because you can't see them, or you can be full of the love you shared.

You can turn your back on tomorrow and live yesterday, or you can be happy for tomorrow because of yesterday.

You can remember only that they are gone, or you can cherish their memory and let it live on.

You can cry and close your mind and feel empty, or you can do what they would want.

Smile, Open your heart, Love...and go on.

~Elizabeth Ammons

## Coronavirus Prayer

Jesus Christ, you traveled through towns and villages "curing every disease and illness." At your command, the sick were made well. Come to our aid now, in the midst of the global spread of the coronavirus, that we may experience your healing love.

Heal those who are sick with the virus. May they regain their strength and health through quality medical care.

Heal us from our fear, which prevents nations from working together and neighbors from helping one another.

Heal us from our pride, which can make us claim invulnerability to a disease that knows no borders.

Jesus Christ, healer of all, stay by our side in this time of uncertainty and sorrow.

Be with those who have died from the virus. May they be at rest with you in your eternal peace.

Be with the families of those who are sick or have died. As they worry and grieve,

defend them from illness and despair. May they know your peace.

Be with the doctors, nurses, researchers, and all medical professionals who seek to heal and help those affected and who put themselves at risk in the process. May they know your protection and peace.

Be with the leaders of all nations. Give them the foresight to act with charity and true concern for the well-being of the people they are meant to serve. Give them the wisdom to invest in long-term solutions that will help prepare for or prevent future outbreaks. May they know your peace, as they work together to achieve it on earth.

Whether we are home or abroad, surrounded by many people suffering from this illness or only a few, Jesus Christ, stay with us as we endure and mourn, persist and prepare. In place of our anxiety, give us your peace.

Jesus Christ, heal us.

## **DIOCESAN ANNIVERSARY MASS CELEBRATED LOCALLY**

Plans for the Anniversary Masses scheduled for October 18 in Hays and October 25 in Salina have been altered due to the pandemic. We will still recognize couples celebrating their 1st anniversary and all anniversaries ending in 0 or 5 this calendar year with each couple being recognized in their home parish at a regularly scheduled Mass the weekend of October 24-25.

Each couple will receive a certificate from the diocese recognizing them for being witnesses of faith through the Sacrament of Marriage.

It is still necessary for couples to register for the event and they can **register online at the diocesan website** ([salinadiocese.org/family-life](http://salinadiocese.org/family-life)) **or mail in a registration form** (available at the Parish Office) **before the deadline of Friday, October 16**. Once registrations have been received, parishes will be notified with the names of the couples being recognized and the number of years they have been married. Couples have the option to NOT attend Mass but will still be recognized.

### **LOCAL WEDDING ANNIVERSARY MASSES**

### **October is Respect Life Month**

#### **What is “Value Them Both?”**

VALUE THEM BOTH is the proposed state constitutional amendment for life supported by the Catholic Bishops of Kansas. The amendment is crucial because the Kansas Supreme Court recently created a nearly unlimited “right” to abortion, including taxpayer-funded abortion, teens seeking an abortion without parental knowledge or consent, and late-term abortions. Once passed, the VALUE THEM BOTH will help protect mothers and their unborn babies from the abortion industry. Please pray for passage of VALUE THEM BOTH.

OR  
Face Everything And Rise.

### **World Mission Sunday Is Next Week!**

We are called through our Baptism to be part of the Church’s missionary efforts, through prayer, self-sacrifice, and support of the Mission Church through material aid. This year, Pope Francis asks us to respond to that call, saying, “Here I Am, Send Me!”

To “send” ourselves, we can: PRAY for the Church’s worldwide missionary work and then OFFER financial help and charity through the collection for the Society for the Propagation of the Faith for vulnerable communities throughout Asia, Africa, Latin America, and the Pacific Islands.

"That's your father."

### COMMUNITY

## October is Domestic Violence Awareness Month

October is Domestic Violence Awareness Month and a great opportunity to learn more about domestic violence. For example, did you know 1 in 4 women and 1 in 7 men experience domestic violence in their lifetimes? Some communities are more affected by abuse and experience more barriers to safety because of race, age, faith, class, immigration status, language, physical ability, gender, or sexual orientation. Domestic violence is abuse that can be verbal, emotional, physical, financial, sexual, or spiritual. We'd like to think it doesn't happen in our congregations, but the truth is that domestic violence happens in every congregation.

Experiences of abuse can be difficult to talk about, and that explains why we often haven't heard about it. We all have a critical role to play in supporting survivors of abuse, so we all need to learn more about how to help. For more information, you can visit their website at [www.help4abuse.org](http://www.help4abuse.org).

If you are in immediate danger, call 911. **If you or someone you know may be experiencing domestic violence, call our local domestic violence services agency, Options Domestic & Sexual Violence Services 24-Hour helpline at 800-794-4624 anytime day or night.** If you cannot speak on the phone and need confidential services, you can also text "HOPE" to 847411 and live text with an Advocate.
