PLENARY INDULGENCE—The faithful may obtain a plenary indulgence—a remission before God of the temporal punishment for a previously forgiven sin—by visiting a minor basilica. To obtain a plenary indulgence during a pilgrimage to a basilica, one must participate in any sacred rite or recite the Lord’s Prayer or the profession of faith while there, then go to Confession and Communion, and pray for the intention of the pope. ~ taken from *The Register*, Salina Diocese newspaper

“Whoever causes one of these little ones who believe in me to sin, it would be better for him if a great millstone were put around his neck and he were thrown into the sea.”

Mark 9:38-43, 45, 47-48

A Great Millstone

“Whoever causes one of these little ones who believes in me to sin, it would be better for him if a great millstone were put around his neck and he were thrown into the sea.” (Mk 9:42) That verse from today’s gospel is one of the most ominous warnings of Christ. It is a teaching of our faith not shared by the popular culture: we are responsible not only for our own conduct but we are held accountable also for the effect it has on others, especially the young and the vulnerable.

The standard of much of our secular world is: “I do my thing and you do your thing, and the devil be

darned.” It is freedom unlimited, unburdened with responsibility. It is very appealing and self-affirming. And it is wrong. Christianity, in bold contrast, offers a community faith. St. Augustine put it simply, “One Christian is no Christian.” Our personal faith is shared. We pray and worship together, gaining and giving strength from and to others. We are to give good example and not mislead others by bad example.

This tension between individual

freedom and community responsibility arises early in the human family. The murderous Cain professed total freedom, “Am I my brother's keeper?” The answer is, “Yes, you are the keeper of his humanity, his dignity, his rights; but not the keeper of his possessions, his privacy, or his conscience.” There is a fine line between charity and meddling, concern and coercion, helping and hindering. In practice this requires both prudence and patience.

Our tradition teaches the power of good example in the honor we bestow on the great saints. They inspire us by their heroic virtues; they embody the values that are central to our faith.

There is an important distinction here between the attention given to pop stars and the admiration of the saints. It is the difference between admiring greatness and honoring goodness. As Mother Teresa said, “I was not called to be successful; I was called to be faithful.”

We are neither to give nor to be misled by bad example. This requires recognizing morally wrong behavior, yet not judging the conscience of others. Without being judgmental, we are to discern what is or is not virtuous in the conduct of others. Not to

engage in gossip, but to seek guidance lest we ourselves “cause one of these little ones who believes in me to sin; it would be better for him if a great millstone were put around his neck and he were thrown into the sea.”

... and mirth

Four out of three people have trouble with fractions.

The Catholic Diocese of Salina is excited to announce Bill Meagher as the new Director of Youth Ministry and Religious Education.

Meagher is a well-known member of the Hays, Kansas, community where he is currently the Director of Campus Ministry, Theology Instructor, and Head Boys Basketball Coach at Thomas More Prep-Marian.

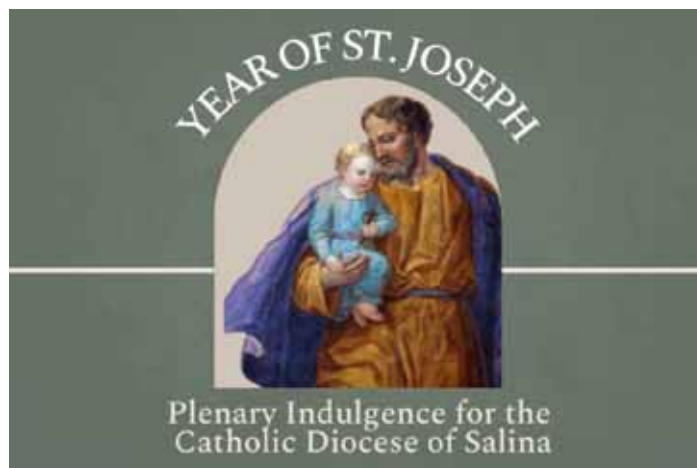

Meagher has served the youth of our diocese for many years in various capacities—from sponsoring CYO to serving as the Religious Education Director at his home parish, St. Nicholas of Myra. Meagher has been a true blessing for our diocese.

He will fill the position held for many years by Sr. Barbara Ellen Apaceller, who passed away unexpectedly of natural causes on June 25, 2021.

SEPTEMBER HUMAN TRAFFICKING ALERT

Thank about it...some children are not in school because they are being trafficked. Once they are found, in order to be helped to become survivors and thrivers, they need proper housing—very much lacking in the U.S.

U.S. Catholic Sisters Against Human Trafficking (sistersagainstrafficking.org) is a 501(c)3 organization. 2039 N. Geyer Road, St. Louis, MO 63131.

In our diocese, we have seven Churches named after St. Joseph. The year of St. Joseph ends on December 8, 2021, the Feast of the Immaculate Conception. Bishop Vincke invites the people of the diocese to make a pilgrimage to any number of the seven Churches named after St. Joseph. With it comes a plenary indulgence.

The seven parishes are in Bird City, Brookville, Damar, Dorrance, Hays, New Almelo, and Oakley.

Go to SalinaDiocese.org/news-and-updates for more information and to download a booklet explaining the requirements for the plenary indulgence.

to count my blessings and not my crosses;
to count my gains and not my losses;
to count my laughs and not my tears;
to count my joys and not my fears;
to count my health and not my wealth;
and most of all ...
to count on GOD and not myself.

A LITTLE CHUCKLE

Getting Old

Three sisters age 92, 94, and 96 live in a house together.

One night the 96-year-old draws a bath, puts her foot in and pauses. She yells down the stairs, "Was I getting in or out of the bath?"

The 94-year-old yells back, "I don't know; I'll come up and see."

She starts up the stairs and pauses, then she yells, "Was I going up the stairs or coming down?"

The 92-year-old was sitting at the kitchen table having tea listening to her sisters. She shakes her head and says, "I sure hope I never get that forgetful."

She knocks on wood for good measure. She then yells, "I'll come up and help both of you as soon as I see who's at the door."

VALUE THEM BOTH

KANSAS: NOW A "HAVEN" FOR UNLIMITED ABORTION?

Abortion Industry attorneys are celebrating Kansas as "a haven state in the Midwest"¹ for unlimited abortion. Passage of the VALUE THEM BOTH state constitutional amendment on August 2, 2022, is the only way to protect women and babies in the heartland from this predatory industry.

How did we get here? Kansas became one of the most pro-abortion states in the country after a 2019 ruling by the State Supreme Court discovered and created a nearly unlimited right to abortion in the Kansas Constitution. Even the most basic limits on the abortion industry are now "presumed unconstitutional."² Kansas is the "new New York"³ when it comes to abortion!

Abortion Industry lawyers state that Kansas will even be a destination state "if federal laws protecting abortion are overturned or significantly limited or undercut in other states."⁴

Seizing upon this new, horrific legal landscape, Kansas abortionists began filing lawsuits to block the state's bipartisan, broadly supported abortion limits that protect preborn babies and mothers.⁵ Taxpayer-funded abortions in Kansas, up to the moment of birth, are almost certain to happen without the VALUE THEM BOTH Amendment.

In fact, abortions in Kansas are already increasing. For the first time in three decades, the number of Kansas abortions climbed by a staggering 9.1%, for a total of 7,512 lives lost.⁶ 52% of these abortions were performed on non-Kansas residents.

"Texas, up from 25 abortions [in Kansas] in 2019 to 289 abortions [in Kansas] in 2020; Oklahoma, up from 85 to 277; and Arkansas, up from 40 to 74.

The number of Missouri residents obtaining an abortion in Kansas climbed by 23, pushing that annual total to 3,201."⁷

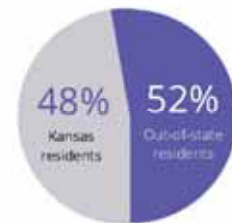

The Missouri numbers show precisely why Planned Parenthood announced plans for a new clinic in Kansas City, Kansas⁸—easy access across the state line.

Get involved. Join the fight to save babies and protect moms.
