**PLENARY INDULGENCE**—The faithful may obtain a plenary indulgence—a remission before God of the temporal punishment for a previously forgiven sin—by visiting a minor basilica. To obtain a plenary indulgence during a pilgrimage to a basilica, one must participate in any sacred rite or recite the Lord’s Prayer or the profession of faith while there, then go to Confession and Communion, and pray for the intention of the pope. ~ taken from *The Register*, Salina Diocese newspaper

Matthew 21:28-32

## Good Sinners

A young man, frustrated with his failings, said to Pope Francis, "Every time I go to confession, I confess the same sins." Pope Francis replied, "So do I." The pope then explain that repentance means admitting sinfulness with the resolve to do better, despite repeated failures. If we give up and lower our ideals the battle is lost.

In this Sunday's gospel the first son said that he would not go, but he did go.

The second son said that he would go, but did not. Jesus concludes this parable of the two sons by warning the unrepentant Pharisees, "The tax collectors and prostitutes are entering the kingdom of God before you." The

repentant tax collectors and prostitutes are images of the first son. The chief priest and elders are images of the second.

Those struggling with their sins are closer to God than those who are blind to their sins. The self righteous admit of no fault, insist that they have no sins to confess, and so cannot move closer to God. Only those who acknowledge their failures have a sense of needing the grace of God.

Most of us readily admit that we are sinners. But we are reluctant to specify the sin. We are generic sinners, never guilty of a specific fault. Our confession is generic, "I am a sinner." But sin is a reality that has harsh names like pride, envy, anger, lust, revenge. Only when I can pronounce

my own name with such terms — I am envious, I am proud, I am unforgiving — can I move closer to God.

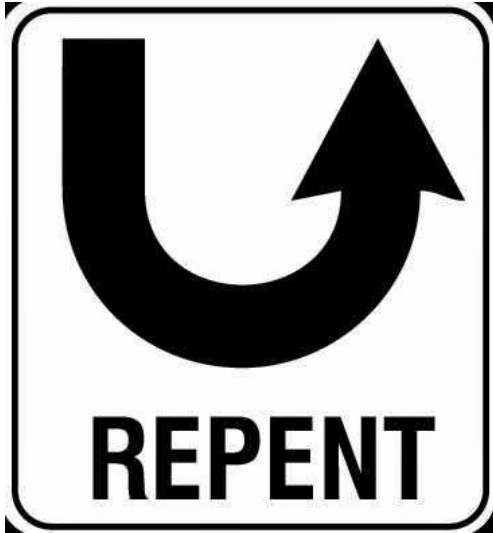

It would be wrong to read today's gospel as soft on sin or condoning evil. The tax collectors and the prostitutes were entering the kingdom of God before the Scribes and the Pharisees not because they were dishonest or promiscuous but because they were honest and repentant. They admitted their wrong and tried to reform their lives. They were closer to God not for sinning, but for repenting.

Scripture offers two famous kings to illustrate the message of today's gospel. King David was guilty of adultery with Bathsheba compounded by the murder of Uriah. King Herod was guilty of living with

his brother's wife and beheading John the Baptist. Same sins. David is honored as the herald of the Messiah; Herod is despised as a depraved despot. The difference is not in their sins but in their moral honesty. David repented, Herod did not. Everyone is a sinner. Not everyone is repentant. Be a good sinner, repent!

Below is a letter from the Victoria Jr. Sr. High School Principal sent to parents in our community. He also wanted the rest of the community to be aware of some exciting news.

September 18th, 2020

Dear Students, Parents, and Guardians:

I wanted to inform everyone about some exciting news coming in October. KSHSAA has selected Victoria's Sand Plum Nature Trail to host the Class 2A and 1A state cross country meet. This is a great opportunity to showcase one of the best courses in the state. We are proud to be a part of this event and look forward to seeing the best cross country runners in the state on our home course.

Below is the official press release from KSHSAA. When more information comes out, I will make sure to send it to our community. Thank you all and hope everyone has a great weekend.

Sincerely,

Dylan Dronberger

Victoria Jr. Sr. High School Principal

venue is not open for high school events this fall.

Regionals will be held on Saturday, October 24 at sites that will soon be finalized. Class 4A, 5A, 6A will have four regional sites of eight or nine assigned schools. Class 2A and 3A will have 6 regional sites of 10 or 11 schools assigned. Class 1A will have three regional sites.

"The health and safety of our students continues to be the most important factor in the changes we have implemented with postseason competitions and we are pleased to expand to another venue for these championship meets," said Bill Faflick, KSHSAA Executive Director. "Certainly, we are fortunate to have quality courses and dedicated hosts to provide the best experience possible for our student-athletes."

**KSHSAA Press Release**

**STATE CROSS COUNTRY CHAMPIONSHIP SITES ANNOUNCED**

The KSHSAA will utilize three sites for state cross country meets to be held on Saturday, October 31, including two new championship venues. Consistent with risk mitigation efforts, a third site was added to reduce the number of runners at each venue and allow for more time between races.

The Class 6A and 5A state meet will be held at 4 Mile Creek Resort in Augusta. Andover High School will be the host with Wichita State University supporting the effort with course preparation. WSU is very familiar with this course, as the 4 Mile Creek Resort (formerly known as RAFT) is the home course for the Shockers.

Once again, Wamego will welcome championship racing. The Class 4A and 3A state meet will be held at Wamego Country Club and be hosted by Wamego High School.

The Class 2A and 1A state meet will be held at Sand Plum Nature Trail in Victoria. Victoria High School will serve as the member school host and will be supported by the athletic department of Fort Hays State University for this championship event.

For the first time since 1992, RimRock Farm is not available as one of our championship sites as the University of Kansas has notified the KSHSAA that the
