PLENARY INDULGENCE—The faithful may obtain a plenary indulgence—a remission before God of the temporal punishment for a previously forgiven sin—by visiting a minor basilica. To obtain a plenary indulgence during a pilgrimage to a basilica, one must participate in any sacred rite or recite the Lord’s Prayer or the profession of faith while there, then go to Confession and Communion, and pray for the intention of the pope. ~ taken from *The Register*, Salina Diocese newspaper

The Paradox of Freedom

This Fourth of July weekend we celebrate our nation's freedom and our personal freedom. The gospel reading today reminds us of the importance of using our freedom to make good choices. Consider this verse: "Whoever receives a righteous man, because he is a righteous man, will receive a righteous man's reward." Good choices are rewarding, they enrich our own life and that of others.

The proper exercise of freedom benefits everyone, and the misuse of freedom diminishes the life of the community. Violent crime is an obvious illustration. But our own minor offenses also harm our own life and that of others. There is an inherent relationship between individual freedom and the welfare of the community. My personal freedom is always limited by the rights of others. An old saying expresses this graphically: "Your right to swing your fist stops where my nose begins!"

When Pope John Paul II visited the United States in 1999, he gave a speech that bewildered the secular media. He said: the ten commandments are the Magna Carta of human freedom. Only by honoring the commandments can we be truly free. Now, the ten commandments repeatedly prohibit — *thou shalt not, thou shalt not, thou shalt not* — yet they actually set us free. That is the paradox of freedom. Only by restraining the use of our freedom are we truly free. Undisciplined freedom destroys freedom.

Freedom is a right and every right

has corresponding responsibilities. Freedom is a virtue. Virtue requires discipline, the discipline of choosing the moral good. Doing whatever I desire at the moment ultimately leads to an abuse of freedom harming the whole community. The responsible use of freedom is freely choosing to do the right thing for others as well as myself.

Today we hear many advocates for the right to choose.

And the freedom to choose is a good thing. But choice is not an absolute value. What is chosen gives the value to a choice. This is demonstrably true on the abortion issue. A prominent pro-life author exposed the stark reality of abortion in this bold statement: What goes out the back door of abortion clinics in plastic bags are not choices. What goes out the back door of abortion clinics in plastic bags are dead babies.

The freedom to choose, as freedom of speech, is not an absolute value. It is always limited by the rights of others as well as my own moral integrity. Freedom is perfected in freely choosing to do the right thing. Anything less is a path to the slavery of sin.

... and mirth

Freedom cannot be bestowed; it must be achieved.

Another Project Completed

Emmeram Cemetery Fence

Recently, a lot of work was done on the fence surrounding the Emmeram Cemetery. The old steel posts around the cemetery were removed. Harland Rupp used his Bobcat and hydraulic posthole digger to dig holes for about 30 limestone posts donated by Steve and Mary Pfeifer. Wilmer Dinkel and Kenny Pfeifer then strung barbless wire between the posts. Cement was poured at the entrances to hold the wrought iron fence which was previously installed at the St. Fidelis Cemetery. New wrought iron is being designed for St. Fidelis. A little work still needs to be completed at the walk-in gates, but other than the Emmeram Cemetery is looking very well cared for.

St. Fidelis Food Bank

The St. Fidelis Food Bank is available during Parish Office hours to those in need of food. Please call the office at 785-735-2777 in advance so you won't have to wait while we prepare a box of food for you. Boxes can be picked up at the northwest door of the Parish Office. Donations of food or money are always welcome to help supply the Food Bank.

New Parishioners

If you would like to join one of the Tri-Parishes—
St. Fidelis, St. Ann, or St. Boniface—
Parishioner Forms are available at the
Parish Office, 601 10th Street, or on the Home Page
of our website: www.StFidelisChurch.com.

Tour Guides Needed

Tours of The Basilica of St. Fidelis are offered for groups of 10 or more and usually take place in the late morning or early afternoon.

We have a list of volunteers who already help with these tours, but we could use more volunteers.

We can provide you with a history book to get you started as a tour guide. You can also observe a current guide to help you learn the process; however, you are welcome to tell your own personal stories related to the church. The more you do the tours, the easier and more fun it can be.

**If you are willing to help, please call the
Parish Office at 785-735-2777.**

One of the most admirable effects of Holy Communion is to preserve the soul from sin,
and to help those who fall through weakness to rise again.
It is much more profitable, then, to approach this divine Sacrament with love, respect, and
confidence, than to remain away through an excess of fear and scrupulosity.

~ St. Ignatius of Loyola

SAFE ENVIRONMENT PROGRAM

DIOCESE OF SALINA

All those who minister to children or young people on a regular basis are to be educated about the nature of child sexual abuse, how to report it, and strategies for prevention.

The Diocese of Salina currently uses a program called CMGCONNECT, a web-based, on-line training program (along with an integrated background check) that specializes in helping churches, schools, and religious organizations create safe environments for children and youth. High School students in grades 9-12 who work with other minors on a regular basis will do their own training through CMGConnect, which covers safe and appropriate ways to interact with other children.

BEFORE beginning any ministry with children in your parish or school, you must have Safe Environment Training and it must be current (taken within the last 5 years).

For more information, and to get instructions on how to log into CMGConnect, please contact the **Safety Coordinator** of your parish or school.

Tour die Kapellen Bike Ride

The Tour die Kapellen is a benefit bike ride for four of the Ellis County churches to be held on **July 8, 2023**.

A bus tour for non-cyclists is also available: The tour travels from Municipal Park in Hays to Catherine church, then to the Basilica in Victoria, on to Holy Cross Church in Pfeifer, stopping in Munjor to visit St. Francis Church, wrapping up back at Municipal Park. At each of these stops, the participants will get refreshments, a mini concert from Hays Symphony musicians, and historical information regarding each church.

The tour ends back at Municipal Park, with a meal prepared by Karla Rohleder. Music will be provided from 12:00 - 2:00 p.m. by the Joe Dolezal Polka Band.

This is the fourth year for the Tour die Kapellen. The Hays Area Bicyclists have donated more than \$25,000 to the churches in the past 3 years.

Please consider supporting the efforts of this organization by volunteering, donating, or by registering for the bike ride or bus tour (limited availability!).

Most importantly, we ask all drivers to be courteous to the cyclists on the road. They are riding for a good cause! For more information, visit www.tourdiekapellen.com.

A LITTLE CHUCKLE

Gotta Listen to the Doctor

The doctor prescribed a man a standing desk for back pain. He told the man to stand at least 3 hours a day—which should reduce the symptoms—and to come back in a month.

A month passes and the doctor is seeing the man again. He asks if the symptoms have improved.

The man says, "No, but I've only been standing for one hour a day."

The doctor says he "under - stood."
